## FIRE PREVENTION WEEK OPEN HOUSE – CANCELLED

### Description:

The Bonnyville Regional Fire Authority takes its responsibility to protect the public and its members very seriously and continues to follow AHS requirements for social distancing as a result of COVID-19. Considering current circumstances, the BRFA and the Bonnyville Firefighters Association have made the difficult decision to cancel the Fire Prevention Week Open House that was scheduled for October 6, 2020.

The BRFA is fully considering all alternatives available for delivery of fire prevention messages to the public. Please watch your local media and the BRFA Facebook page for more details in the coming weeks about this year's Fire Prevention Week activities throughout the Authority.

For further information contact the Bonnyville Regional Fire Authority 780-826-4755.
